

THE in•genious COLLECTION

SUMMIT introduces an advanced series of frost-free refrigerators, carefully sized for space-challenged kitchens and specially configured for the modern lifestyle

OVERVIEW

Rethink the common household refrigerator with SUMMIT's Ingenious Collection of counter depth refrigerator-freezers. Available with a 14 cu.ft. or 18 cu.ft. capacity, these full-size units feature a modern platinum finish and striking curved door design. The exterior digital control panel grants you access to a unique collection of features, including the Express Chill Zone for rapid cooling. Our Smart Fill Ice Factory takes the mess out of making ice in the roomy freezer section, while the drop-down Smart Station door lets you keep snacks and drinks right on hand. Combine this with spill-proof shelving, door storage, multiple crispers and more for a truly inspired design.

SMART STATION

Handy compartment to store items without opening the whole door

EXPRESS CHILL ZONE

Rapid cooling compartment lets you chill items on a timer

SMART FILL ICE FACTORY

Simple no-spill system lets you make ice cubes without the mess

FEATURES

Express Chill Zone
 Perfect for serving beverages to your guests or preparing temperature-sensitive desserts

Temperature Control
 Intuitive digital controls allow you to adjust the refrigerator temperature without opening the door

Holidays
 Activate this feature to save on the unit's overall energy usage when you go away on short trips

Open Door Alarm
 Audible alarm will sound when the doors are left open for over a minute

Power Cool
 Enables unit to work at maximum power to quickly cool room temperature items, such as new groceries

Frost-Free Operation

Ensures low maintenance operation with no icy build-up

Platinum Finish

Stunning design offers a modern look that complements virtually any kitchen décor

Adjustable Glass Shelves

Spill-proof shelves for both compartments in sturdy safety glass

Door Storage

Multiple door shelves, including a gallon-sized rack in the fridge

Multiple Crispers

Includes humidity controlled produce drawer, deli fresh compartment, and sliding mini-crisper

Smart Station

Unique compartment lets you take items without opening the full refrigerator door

Smart Fill Ice Station

No-spill ice cube system eliminates the mess of standard ice cube trays

Interior Lighting

Automatic light in the refrigerator compartment offers maximum visibility

100% CFC Free

Environmentally friendly design without ozone-damaging chemicals

Icemaker Option

Both units are available with a factory installed icemaker in the freezer section. For this option, order FF1525PLIM or FF1935PLIM
